WHAT IS CLAIMED IS:

1. A writing instrument with a USB storage comprising:

a cap having a flash memory installed in the cap and a USB plug formed at a lower end of the cap and electrically connected with the flash memory; and

a barrel having a chamber defined at an upper end of the barrel for receiving the USB plug of the cap, and a plastic writing tip formed at a lower end of the barrel.

2. The writing instrument as claimed in claim 1 wherein the cap has a clip formed at an outer periphery of the cap.
